USITC PUBLISHES FOURTH QUARTERLY REPORT OF CERTAIN STATISTICS FOR NONRUBBER FOOTWEAR

The United States International Trade Commission has completed its fourth quarterly report on nonrubber footwear required under Presidential Proclamation No. 4510. It covers the years 1976, 1977, and the first quarter of 1978 and provides information required for the monitoring of the Orderly Marketing Agreements between the United States, the Republic of Korea, and the Republic of China to limit imports into the United States of nonrubber footwear from those countries. The data cover U.S. production, imports for consumption, apparent U.S. consumption, employment, and wholesale and consumer price indexes. The Commission previously reported data for the January-December 1977 period.

The report is sent to the Special Representative for Trade Negotiations who is responsible for monitoring the Orderly Marketing Agreements implemented by the Presidential Proclamation.

Copies of the report, Fourth Quarterly Report of Certain Statistics for Nonrubber Footwear, containing the information developed under Investigation 332-93, may be obtained by calling (202) 523-5178, or from the Office of the Secretary, USITC, 701 E Street NW., Washington, D.C. 20436.
